

Brilliant Indulgence

Introducing the *ShowerLite*

A lighted, heated, fog-free shower mirror that adds style and functionality to the daily routines for men and women.

Getting ready for the day on a trip or vacation can be stressful. Help your guests get their day off to a great start in the comfort of the shower.

Like the Shower *ClearMirror*, *ShowerLite* is the perfect is the perfect amenity for your guests. Gentlemen will absolutely love shaving in the comfort of the shower. And ladies will enjoy the speed and ease of removing makeup and applying facial treatments in the warmth of the shower.

And the luxurious look of the mirror set flush with the tile will definitely add to the sense of style you are trying to achieve in a bath design.

Patented, Safe and Easy to Install

With our patented design, we are the sole manufacturer of electric heated shower mirrors that gently warm to 102° F and eliminate condensation. We use low voltage and carry UL, C-UL and NY City BEC approvals to ensure safe operation.

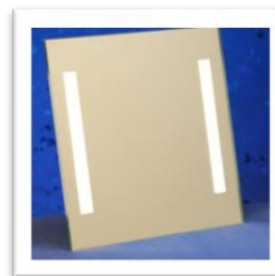

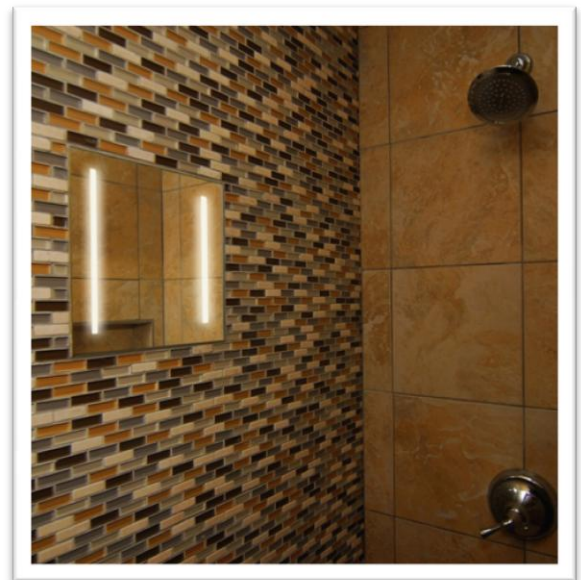

The back of the mirror contains ultra-thin light strips and an ultra-thin heating pad with electrical leads that are easily connected to a low-voltage system or a switched outlet.

Perfect for Shaving and Facial Treatments

The hot steam of a shower is the ideal element for the perfect shave and also aids in removing makeup. Your clients will love the benefit of managing these daily tasks in the shower.

And with *ShowerLite* from *ClearMirror* all the mess is washed down the drain and not left on the vanity.

Happy Guests. Enhanced Styling. Reduced Cleaning.
Get it all with *ClearMirror*.

For vanity mirror applications use **Original *ClearMirror***
